BUSINESS FOR SALE

HAZMAT, TRAINING, ENVIRONMENTAL CONSULTING, SPILL RESPONSE & SUPPLIES COMPANY

BUSINESS OVERVIEW

This well established and reputable company located on Southern Vancouver Island is a trusted provider of hazardous materials & environmental certified training, environmental consulting service throughout the public & private sectors, emergency spill response & hazmat response. The company qualifies under the most stringent requirements of provincial audits as 1 out of the 5 companies in BC that are audited and qualify for standards & compliance certifications. BC Hazmat Management Ltd. is the only certified contractor on Vancouver Island. This helps assure their clients of the best expertise & service quality at all times, this unique company is well regarded within its industry.

A well-established expertise of the industry combined with superior customer service has been offered to a client base in industrial, commercial, and government sectors; including oil & gas, mining, aerospace, schools, airports, and hospitals, provincial, regional & local governments.

A unique opportunity exists for an individual buyer looking to expand into entrepreneurship and grow the business or an industry buyer seeking growth via merger or acquisition. With potential to expand within the region as well as throughout multiple provinces, this is a great opportunity for an individual to grow an opportunity within a sustainable and good client base as well as a resourceful and established business network.
